The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest.

NEW DIRECTION

Go into all the world and preach the gospel mark 16:15

Friends.

We are so excited about how Jubilee Gang has evolved over the last few years. Since 1991, Jubilee Gang has grown into a nationally known children's ministry and has seen several thousand men, woman, boys, and girls come to receive Jesus as their Savior.

Our first goal for this ministry is to lead as many children and their families to receive Jesus as their Lord and Savior. Secondly, to encourage them to become stronger in their relationship with God. And finally, teaching them to reach out to the world around them with the message of the gospel.

For the last four years we have had the privilege of serving on staff at River of Life Christian Center in Urbana, Ohio as Children's Pastor, as well as traveling as the Jubilee Gang. While on staff it has been enjoyable and awesome to be a part of the children's lives and watch them grow in their relationship with God.

Our heart has always been evangelism and leading people to salvation. In 2003, over 500 people accepted Jesus as their Lord and Savior during our Jubilee Gang Events. This year we are believing to see more than double that amount of people receive Jesus through Jubilee Gang Events. In order to

accomplish what's in our hearts as of May 1, 2004, we stepped out in faith to go on the road full time again to minister as the Jubilee Gang. We covet your prayers and support as we take this leap of faith to step out and fulfill the call God has placed on our lives.

If you would like to become a prayer or financial partner with us to help us accomplish these goals, there is a partner form on page two of this newsletter. We also have provided our itinerary for this year, so you can pray for us as we travel across the country connecting kids and their families to God's plan for their life.

TESTIMONIES

from the road

We had the Jubilee Gang for a one day crusade, and it was simply outstanding. We had over 70 young people accept Christ as their personal Savior. Their ministry presentation was dynamic with all the lights, sound, and videos; their conduct was of the highest Christian standard, and their equipment was the best I've ever seen.
