

LIFE CHANGING SUMMER

Jerry and Candy Moyer

The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into his harvest.

Matt. 9:37

TESTIMONIES From the road

My name is Domenic. I am 12 years old. I am a helper with the 6-7 year old kids.

I think your Kids crusade is the best ever! You present the ministry in a way that I have never seen before. I also have been going to Kids Crusades every where and not one of them has been as exciting and action packed as yours. You have introduced Christ to many kids. More than any VBS I have ever been to!

Thank you for coming and getting kids at our church excited about the lord. You have brought about changes in many kids lives.

Once again thank you!

Domenic

Dear friends and partners:

Praise God! We have had an awesome spring and summer. So far this year we have seen 706 people come forward to receive Jesus during our events. We are believing for many more salvations through our fall and winter programs. The harvest fields are truly ripe and ready for harvest. People are just waiting to hear the message of the Gospel.

Tour Highlights

At one of our events a step father came up to talk to us. His 11 year old step son had come forward that night and received Jesus as his savior. The step father was so excited about his step son receiving Jesus because they had been praying for him for awhile. He was really grateful that we came to their church.

At one of our events parents were seen outside on cell phones calling relatives and friends to tell them how excited they were that their child had just been born again.

Kiel rapping during our Emlenton, PA event where we saw 103 children come forward to receive Jesus.

The first week of August we had the privilege of ministering at White Hall camp meeting for the Church of God in Emlenton, PA. During this camp meeting we saw 103 children come forward to receive Jesus. The children were so excited about our ministry that some of them

invited their parents and grandparents to our programs. It was a pleasure to be a part of their camp meeting.

In mid August we partnered with Love Outreach Family Church in Crawfordsville, IN to reach out to an under privilege community. This was a back to school event where children received back packs and school supplies after hearing the gospel. 19 children came forward to receive Jesus that day.

We are looking forward to seeing God do great things through the rest of this year. Please continue to pray for us for safety as we travel and that many people will receive Jesus at our up coming events.

Lagos, Nigeria Outreach November 28—December 6th

**Go into all the world and preach the Gospel.
Mark 16:15**

Candy and I will be traveling to Lagos, Nigeria during the week of November 28 through December 6th to reach out to the children of Africa.

In Nigeria 43% of the population is under the age of 14 and 50% are under the age of 18. Aids has ravaged the country with an estimated 3.6 million people living with aids in 2003. 50% of the population are Muslim, 40% are Christian, and 10% are various other believes. Please pray for us as we travel to this part of the world for

safety and that many lives will be touched as we proclaim the awesome message of the Gospel to the precious people of Nigeria.

We would also ask you to prayerfully consider helping us financially with the cost of this trip. It will cost us several thousand dollars for this trip. If you would like to become a partner with us to help us reach the children of Lagos, Nigeria, there is a form on the next page.
